Mrs. C. M. Dumas,
Forsyth, Ga.
R.F.D. near Brent.

Dear Mrs. Dumas;

Mr. John O. Collier gave me the genealogy that you sent him in regard to the descendants of Chas. Vines Collier. I presume that Charles Vines was the son of Isaac Collier, who was the son of Vines Collier that lived in Oglethorpe Co.

Kindly advise me just where you live out in Monroe and I will try and run down and see you at some convenient time as John was getting up this genealogy for me. I can understand it so much better by talking with you.

Very respectfully,

J.C.Collier.
